Re: Proceeding Joint Petition of Horry Electric Cooperative, Inc. and the South Carolina Public Service Authority for the Assignment and Reassignment of Territory in Horry County and Approval of Agreements to Limit Corridor Rights
Docket No. 2022-129-E

Corrected Exhibit No. 1 of the Joint Petition

Dear Ms. Boyd:

Horry Electric Cooperative, Inc. (HEC) and the South Carolina Public Service Authority (Santee Cooper), the Petitioners herein, found a scrivener's error in the Exhibit No. 1 of the Joint Petition filed at this docket on April 1, 2022. Exhibit No. 1 is a fully executed copy of the Territorial Assignment Agreement between the Petitioners, dated March 29, 2022, which agreement includes Exhibit A: A detailed map of portions of Horry County with the parcels for which Santee Cooper shall have electric service rights and the parcels for which HEC shall have electric service rights appropriately indicated.

The Petitioners recently found a scrivener's error in sections 94, 95, and 96 of the map. These sections of the map are in Aynor, South Carolina near Highway 319 and just west of Park Ridge Road. The algorithm used to develop the map attempted to assign parcels that were split by the territory line to one provider, or another based on a set of rules. This particular section of territory line is not shared between Santee Cooper and HEC and, accordingly, the parcels were included on the map in error.
